Two hundred and twenty-one pupils in Senior and Junior High School were given athletic physicals by Dr. Ralph Parker of Franconia. As whooping cough was prevalent in May, Dr. Stenberg advised that a Triple Toxoid Clinic be held for age group six weeks up to eleven years. 260 attended this clinic.

Grades 1-4-8 in the Elementary schools and third year high school pupils were given the Heaf Test for the detection of tuberculosis. As a result of this testing, six chest X-rays were taken.

An extra clinic for Type III Oral Sabin Polio Vaccine was conducted in September. This was for those children and adults who missed last years Type III clinic. Some 90 children and adults attended.

These Clinics along with the Triple Toxoid and the Heaf Test were conducted through the N. H. Department of Health and Welfare and the local Health Services.

A good number of mothers availed themselves of the opportunity to attend the Child Health Clinic in Franconia conducted by Dr. Ralph Parker through the N. H. Department of Health and Welfare.

The Red Cross Mobile Blood Bank paid an extra visit here this year in order to help increase the supply of blood at the Centers which supply the demands of the various hospitals in this area. Forty pints were collected here for which the Blood Program Chairman was most grateful.

The Christmas Project was substantially aided by the Junior and Senior High School students; the Knights of Columbus; Littleton Lodge of Elks; American Legion and the Lincoln-Woodstock Chamber of Commerce. Toys, food and clothing were distributed.

Again we are grateful to the ladies of both communities for their generous help on all projects and to the personnel of all schools who cooperated so fully.

		<hr/>
		2,691.54

**Comparative Statements of Appropriations and  
Expenditures—Estimated and Actual Revenues:  
(Exhibits A-3 & A-4)**

As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$6,750.57, plus a revenue surplus of \$5,325.78, resulted in a net budget surplus of \$12,076.35.

**Summary Statement of Receipts and Expenditures:  
(Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1963, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1963, is indicated in Exhibit B-2.

**Statement of Long Term Indebtedness: (Exhibit G)**

A statement of outstanding long term indebtedness as of December 31, 1963, showing annual debt service requirements, is contained in Exhibit G.

**AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

**GENERAL COMMENTS****Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased by \$9,384.92, from \$4,403.73 to \$13,788.65 in 1963, as shown herewith:

	Dec. 31, '62	Dec. 31, '63
Total Assets	\$36,871.83	\$42,442.06
Current Liabilities	32,468.10	28,653.41
	<hr/>	
Current Surplus	\$4,403.73	\$13,788.65

**Tax Sales Accounts:**

The standard procedure for tax sales accounting should be adopted by the Tax Collector. When the Town buys property at a Collector's sale for delinquent taxes, a check is given to the Collector for the amount of taxes, interest and costs. At that time the amount of

each taxpayer whose property is sold should be credited in the Collector's warrant book and the interest and costs to date of sale also entered therein.

Each individual account sold should then be listed in the "Record of Tax Sales" book, indicating the taxpayer's name, amount of delinquent tax, interest and costs to date of sale and the total amount for which the property was sold.

Subsequently when redemptions are made from the tax sale, the proper accounts should be credited in the "Record of Tax Sales" book, indicating the amount of sale and the interest and costs which accrued between the date of sale and the date of redemption.

#### **Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Lincoln for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER
